Members may request a copy of any past newsletter from info@romaniangenealogy.com

Romanian Genealogy Society is a non-profit organization formed in 2011 as a branch group of the Minnesota Genealogical Society; however our mission is not limited to Minnesota research.

The purpose of Romanian Genealogy Society (RGS) is exclusively educational, and is to:

- Foster interest in Romanian genealogy;
- Provide an opportunity for exchange of knowledge about Romania, Romanian immigration, and Romanian family history research;
- Encourage the establishment of Romanian genealogical resources;
- Hold meetings for the instruction and interest of its members;
- Collect and publish genealogical, biographical, and historical material relating to people of Romanian descent;
- Work with other organizations to inform about and preserve Romanian genealogy and heritage.

Membership

Members receive informative quarterly newsletters, admission to quarterly meetings and educational events, and free admission to the William J. Hoffman Library & Research Center located in Mendota Heights, Minnesota which includes our RGS Library Collection. To join, see

<https://romaniangenealogy.com/membership/join-rgs/>.

Members and non-members alike are invited to participate in our Facebook page, <https://www.facebook.com/RomanianGenealogySociety/>, and our closed group where you may post questions about your research at <https://www.facebook.com/groups/RGSconversations>.
